Dear Mr. Easton,

I have heard so much of you from Fred. Bradley and others that I seem to know you, so please do not consider it presumptuous on my part in giving a letter of introduction to you to Mr. H. M. Johnson, who is the Manager of the Village Deep Mine, and may visit your place.

Any kindness shown him I shall greatly appreciate and hope to reciprocate should any of your friends turn up in this country.

Yours sincerely,

Dear Mr. Mein:-

Your letter of the 1st of May is before me and I am very glad you have given Mr. H. H. Johnson a letter of introduction to me. Should this gentleman have time and opportunity to visit Wardner I will take pleasure in meeting him and in showing him our operations. As I have had a speaking acquaintance with a brother of yours for some years and as I have had the pleasure of meeting your mother on several occasions during the winter of 1901 and 1902, at Oakland, I feel as though I were addressing an acquaintance of some standing in answering your letter. I shall hope some fine day of having the pleasure of meeting you personally and should you make the Northwest a visit I sincerely hope you will not overlook the Bunker Hill & Sullivan. I am sure we have many mutual acquaintances among the numerous Californians in South Africa.

With warmest regards,

Yours very truly,

Central Administration.
